

RAILWAYS.

No. 2785-6 dated 13th April 1916.

Whereas the Railway Board with the Government of India have accorded sanction to a reconnaissance survey being carried out with the object of framing a scheme of railway extension for

(i) the provision of railway communication between a port on the West Coast of India and the hinterland, including Coorg and the adjacent parts of Mysore and the British territory, and

(ii) the opening out of the District of Coorg,

it is hereby notified under the provisions of Section 4 of the Mysore Land Acquisition Regulation, No. VII of 1894, that lands in Mysore territory through which the line will have to pass are likely to be needed for a public purpose, viz., the construction of the said railway: and that the Government of His Highness the Maharaja of Mysore are therefore pleased to authorize the Engineer-in-Chief, Mysore and West Coast Railway Surveys and his Assistants, etc., to enter upon lands in the Mysore territory and make the necessary surveys.

By Order,

K. KRISHNIENGAR,

*Officiating Secretary for Railways,
Government of Mysore.*
